

WALVIS BAY  
CORRIDOR  
G R O U P

Dear valued stakeholder,

Following the outbreak of the corona virus, the WBCG, in support of the safety measure and protocol implemented by the government to curb the spread of COVID-19, will be adhering to the instructed lockdown directive.

The company will not close, however WBCG staff will be working remotely off-site, as of from Monday, 30 March 2020. This protocol will be in place for a period of 21 calendar days (to be revised as the situation unfolds).

Although our physical office is closed, our wellness clinics in Oshikango, Katima Mulilo, Walvis Bay and Windhoek, will remain open as they provide an essential service along our corridors.

For the sake of business continuity, our office number has been diverted to our office administrator's number. For any queries, please feel free to call the designated office number.

Stay safe and be well.
