DEATH ANNOUNCEMENT:

Samuel Taapopi

With profound sadness, the WBCG Board of Directors and Management announce the passing of our beloved colleague, Samuel Taapopi, on May 7, 2021 in Windhoek.

Mr. Taapopi joined the Walvis Bay Corridor Group (WBCG) in February 2008 as a Training Officer for our Wellness team. He was later promoted to Project Coordinator - a position he held until his passing.

Mr. Taapopi was a highly valuable and respected member of our team and indeed the entire public health sector in Namibia. He was a passionate colleague who was always focused on the good of the company, as well as the wellbeing of his team and stakeholders. He made many friends and contributed greatly to the WBCG goals in making health services available to the various vulnerable communities. His outstanding work will never be forgotten.

Samuel Taapopi was a remarkable man and everyone at WBCG is indebted to his hardwork, kindness and sense of humour. We were humbled by his kindness and compassion to everyone around him.

Our thoughts and prayers are with his wife Wilika, his son Nahas, the entire bereaved family and friends during this difficult time.

May his soul rest in eternal peace.
